To: Local Business Owners

Subject : TVC Scramble Golf Tournament

The Teamsters Veteran Caucus Connecticut Chapter 1 will be holding its spring golf tournament on Friday, May 12<sup>th</sup> 2017 at the Golf Club at Oxford Greens. We are seeking local business sponsorships to aid us in providing prizes for this wonderful event. We are planning on having contests on the course and a raffle during the reception. We are looking for donated products or services to award those who win. Contests include, closest to the pin, longest drive, closest to the line, and overall 1<sup>st</sup> & 2<sup>nd</sup> place team.

The TVC has been involved in raising funds to donate towards the construction of the Fisher House West Haven Project. The Fisher House provides a monumental service to veterans by housing their families while they seek treatment in VA hospitals. We also donate to Homes for the Brave and Operation Gift Card. We operate on a one hundred percent in and one hundred percent out policy. With your help, our fundraising will be that much more successful and allow us to give back to those who sacrifice their lives for our country.

We thank you for your donation, time, and consideration in helping us with this worthy cause. Thank you again for helping us help our veterans and those who serve.

---

**We, the Teamsters Veteran Caucus Connecticut Chapter 1, organize and assemble for the purpose of serving those who have taken it upon themselves to serve our great nation in both times of war and peace. Seeking to foster an atmosphere of camaraderie amongst veterans and non-veterans within our respective workplaces, we stand unified under the common cause of tending to the welfare of our country's military veterans past, present, and future. We strive to become a reliable source of knowledge and resources that veterans within our community may access quickly and effectively. Our primary goals are to ensure that veterans within our organization are accurately informed of their rights and benefits which they so justly deserve, as well as mobilizing a diverse group of volunteers who stand ready and able to answer the call when a veteran is in need. We stand to acknowledge and enrich the lives of these noble servants, so their acts of patriotism and sacrifice will never be forgotten.**
