Dear Community Partner,

The TVC has a strong tradition of providing local community support to veterans in need. Over the past 3 years, with the help of partners like you, we were able to continue that tradition through a pandemic that hit veterans particularly hard.

The Teamsters Veteran Caucus Connecticut Chapter 1 will be holding its annual golf tournament on Saturday, June 24, 2023 at Whitney Farms Golf Club in Monroe, CT. We are seeking local business sponsorships to aid us in providing prizes for this wonderful event. We are planning on having contests on the course and a raffle during the reception. We are looking for donated products or services to award those who win. Contests include, closest to the pin, longest drive, closest to the line, and overall 1st, & 2nd place team.

As a community-based organization, the TVC has been able to provide assistance to individual veterans in our community. This ranges from financial aid to those who encounter unforeseen hardship to aid with mobility solutions for veterans with disabilities. We also donate to Homes for the Brave and Operation Gift Card. We operate on a one hundred percent in and one hundred percent out policy. With your help, our fundraising will be that much more successful and allow us to give back to those who sacrifice their lives for our country.

If you're able, please consider becoming a sponsor or donating to our tournament. If you're unable to donate at this time, you can still support the cause by participating in the tournament. Thank you for your time and consideration.

We, the Teamsters Veteran Caucus Connecticut Chapter 1, organize and assemble for the purpose of serving those who have taken it upon themselves to serve our great nation in both times of war and peace. Seeking to foster an atmosphere of camaraderie amongst veterans and non-veterans within our respective workplaces, we stand unified under the common cause of tending to the welfare of our country's military veterans past, present, and future. We strive to become a reliable source of knowledge and resources that veterans within our community may access quickly and effectively. Our primary goals are to ensure that veterans within our organization are accurately informed of their rights and benefits which they so justly deserve, as well as mobilizing a diverse group of volunteers who stand ready and able to answer the call when a veteran is in need. We stand to acknowledge and enrich the lives of these noble servants, so their acts of patriotism and sacrifice will never be forgotten.
